Berklee

International Career Center

The mission of the International Career Center (ICC) is to provide expert guidance, cutting-edge resources, and professional development experiences to help our diverse body of students achieve their career goals.

Craft Your Career Plan

Planning one's career is essential towards a successful professional outcome. The ICC works side by side with the students to help develop attainable goals throughout the year on campus.

Sharpen Your Professional Skills

The ICC provides workshops featuring the tools and skills needed to improve the students' professional profile, both online and offline. During their time at Berklee, our main objective is to equip students with a confident grasp on self management.

Meet the Industry

Students will be exposed to numerous opportunities within the industry, both on and off campus. The ICC helps to maximize those encounters towards strengthening their professional network.
