Dear colleagues,

Bosnia and Herzegovina has been struck by the most devastating floods in its history. So far, 24 people have died, and thousands have been evacuated. Over 100 000 people have lost their homes.

The students and staff of the University of Banja Luka are helping all in need. We are still trying to contact all of our students and employees in the affected areas.

Any kind of aid is more than welcome. What may seem little to you could be of life-saving importance to those who have lost everything.

The information on the bank account opened for the purposes of collecting financial aid is available on the next page. Please, bear in mind that it is intended for the students and staff of the University of Banja Luka and that the resources will be sent to us.

If you wish to send water, food, chemicals for cleaning or equipment for space drying or anything else, please contact us via e-mail: [flooddisaster@unibl.rs](mailto:flooddisaster@unibl.rs)

Please, forward this message to any individual, institution, foundation and other organizations that might be able and willing to help us.

Thank you
