

AEC Artistic Training Panel – Statement

Anna Danilevskaia

REMA Summit
21 November 2020

- **What guidelines should influence relevant artistic training for our students in Early Music?**

Practice

Research provides you with a set of options rather than prohibitions.

It makes an interpretation live through ideas and inspirations

Getting to know the context might make you play in a completely different way

The tandem of composer -interpreter

- We should get away from the idea that a more minimalistic, plane approach is necessarily more right.

Contribution of the Early Music

- **Connection between the past and the present;**
- **common points between our and a lost culture;**
- **The essence of humanity**
