

The complete conference program, including all abstracts, is available on an app for your mobile phone! Find out how to download it!

Step 1

Download the ConPass app to your phone or tablet by following the bit.ly link on the webbrowser of your device, or by scanning the QR-code using a QR-code reader app. Follow the instructions on your screen.

Do you own an iPhone, iPad or Android phone or tablet and is the ConPass app already on your device? Then you can go directly to Step 2.

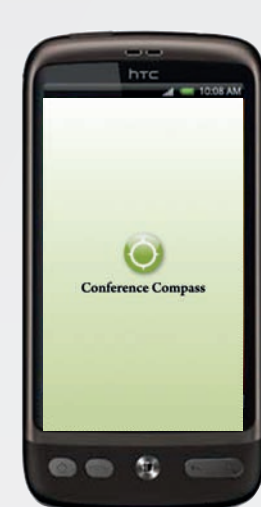

iPhone / iPad

<http://bit.ly/zmN9ZC>

Or search for
"ConPass"
in the iTunes App Store.

Android

<http://bit.ly/zgVx4S>

Or search for
"Conference Compass"
in the Google Play Store
(former Android Market).

Step 2

You should now open the ConPass app, go to "Install a new conference" and select the conference you are attending from the Conference Market. Follow the instructions to install and run the conference.

After installation, you can find the conference on the home screen of the app.
