# **Reflection Paper of the SMS Internationalisation and Transnational Mobility Working Group**

Intercultural and ethical challenges involved in internationalization:

- Internationalization of curricula
- Internationalisation at home
- Digitization of procedures
- E-learning, virtual and blended mobility
- Joint Programmes and initiatives (including the upcoming European University Initiative)
- International cross-disciplinary collaborations
- Erasmus+ Strategic Partnerships Projects
- Changing character of mobilities and demands
- Funding schemes for HMEI beyond Erasmus+
- Recognition
- Financial, administrative and environmental sustainability of internationalization activities

## **PUBLIC ENGAGEMENT WITH RESEARCH**

*Actively involving the public in the research activity of the institution*

## **ENGAGED TEACHING**

*Developing teaching activities which positively impact on the community, and enhance students' engagement skills*

**The engaged university**

## **KNOWLEDGE EXCHANGE**

*Increasing the two-way flow of knowledge and insight between the university and wider society*

## **SOCIAL RESPONSIBILITY**

*Seeking to maximise the benefits that the institution can generate for the public*

# The future of internationalization - finding a sustainable future

- **How** do we create good conditions for being able to work sustainably on issues related to internationalization?
- **How** can internationalization contribute to sustainable development?
- **What** are the challenges and **how** should we work?
- **How** do your institution cope with the need to shift towards a more sustainable transportation system?
- **How** do your institution relate to a rising nationalist and protectionist sentiments?

Thank you for your attention!
