VISION 2020

AEC IRC Conference 2015
Corfu, Greece

AEC IRC Development Working Group
Tuovi Martinsen, chair

How international cooperation can help the music field to develop?

- Where do we want to be in 2020?
- What do we need to do?
- What we want to have achieved?
- What are the issues we want to focus on before the year 2020?
- For what we want to influence on with our work?

VISION 2020

- Content related issues
- Good practices
- Practical approach
- Actions
- Concrete results

CURRICULUM

- Offering possibilities for including mobility period into degree studies
- Recognition of studies
- Through mobility, offering network building possibilities
- Affecting on employability
- Benchmarking → development together
- Planning of Joint Programs

**Internationalization should be seen
within Curriculum as integrated
part of studies**

E-LEARNING STRATEGIES

- How the new technology can help?
- Distance Learning possibilities
- Learning platforms
- Etc.

EMPLOYABILITY

- How do we support the student in his/her process on creating an understanding where she/he wants to go?
- How to help the student to build his/her path during studies towards the career?
- What to choose and why?

ENTREPRENEURIAL MINDSET

- Change of mindset
 - Student centred approach
 - Entrepreneurial thinking
- How do we support the process?
- Do we provide suitable skills?
 - Hard skills
 - Soft skills
- How do we prepare students to the changing world with no pre-determined and fixed professions?

Full Score –project

- Bridge to the profession
 - Database
 - Vacancies
 - Career development officers

EXTERNAL LINKS

- How do we develop our institutions to ensure the good quality?
- How do we do branding?
- How do we lobby?
- How do we recruit the best students?

ENHANCING TRUST

- How do we work together internationally to develop together?
- Action example:
 - Exchange of external examiners

GLOBAL COOPERATION

- Europe: home base
- Multicultural Europe
- “Meeting in music”
- Increased competitiveness
- Global Responsibility issues

DEVELOPMENT OF INTERNATIONAL/INTERNATIONALIZAT ION STRATEGIES

- Setting aims
- To show the way
- Institutional aims
- Individual aims
- Prioritizing

EASIER MOBILITY

- websites
- EASY: Erasmus+ Application System
- Guidelines: e.g. Step by Step
- Course catalogues=lists of courses
- Forms
- Mobility windows (in curriculum)
- EU target for mobility: 20% of the degree students

CONTINUING PROFESSIONAL DEVELOPMENT

- Seminar, courses for us!
- What do we need? → Input from IRC community
- Cooperation with faculty and other staff

Your input is important!

How you would like to develop yourself?
